Early Education

Shapes

May 12, 2020

Pre-K Math
Lesson: 05/12/2020

Learning Target:

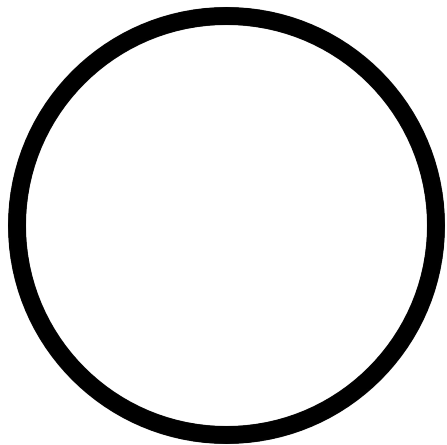

Students will be able to describe shapes and their characteristics.

Let's Get Started:

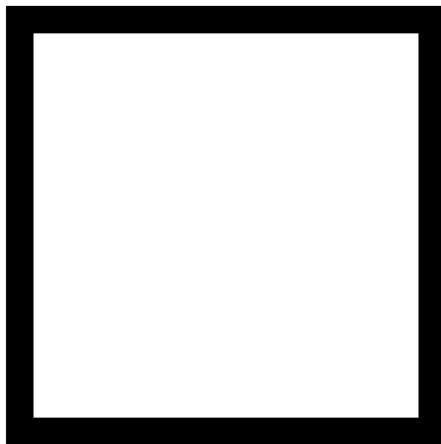

Watch Video: [Shape Song](#)

Practice:

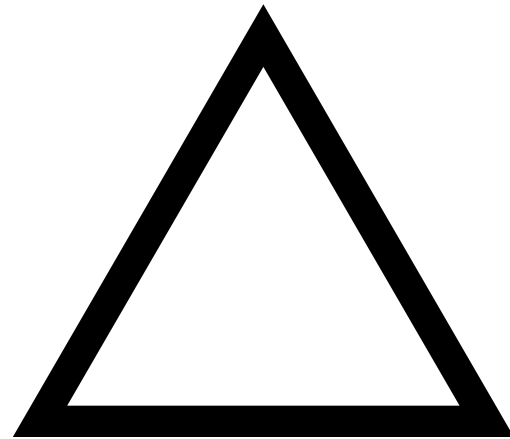

What shape is this?

Circle

Square

Triangle

Activity:

Shape Box

Materials needed: Items of different shapes and a box

1. Have your child decorate a box.
2. Choose a shape and put it in the box.
3. Have your child put their hand in the box and without looking in, have them describe the shape in the box and name it.
4. Ask your child:
 - a. What shape do you think it is?
 - b. Why do you think that?
 - c. How many sides do you feel?
