Stringing Beads

May 14, 2020

Pre-K Visual Art
Lesson: 05/14/2020

Learning Target:
Students will string beads.

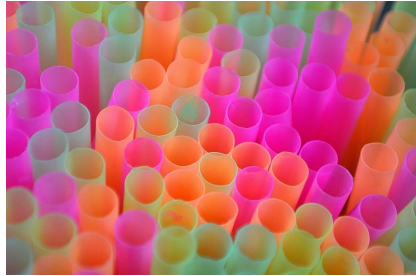

Let's Get Started:
Watch Video: [Fine Motor Stringing Beads](#)

Practice:

How are these items alike? How are they different? What can you do with these items? Can you create art with these items?

beads

drinking straws

pasta

cereal

Activity:

Materials needed: String or something to string beads onto (shoe laces, twigs, spaghetti, pipe cleaners), beads, straws cut into small segments, dry pasta, or cereal (Cheerios or Fruit Loop type cereal)

1. Invite your child to string materials.
2. Talk to them as they are creating.
 - a. What made you think to make it like that?
 - b. Is there another way you could do that?
 - c. What will you do next?
 - d. I like the colors you're adding.

Ways to create!
