

Science Virtual Learning

**Early Education**

**Salt Dough Predictions**

May 19, 2020

Pre-K Science  
Lesson: 05/19/2020

**Learning Target:**

Students will make simple predictions about dough.

**Let's Get Started:**

Watch Video: [Easy No Cook Playdoh](#)

## Practice:

What color playdoh would you like to make?

# Activity:

## Making salt playdough

**Materials needed:** 1 cup of flour,  $\frac{1}{2}$  cup of salt, 1 cup of water, food coloring

1. Have your child mix all the ingredients together and stir. Add favorite food coloring.
2. Experiment with the dough and ask your child:
  - a. What should we do if it's too sticky?
  - b. What should we do if it's too hard?
  - c. What happens if we leave it out in the air?
  - d. What if we seal it up?
  - e. What can you make with this?
