Early Education

Patterning

May 20, 2020

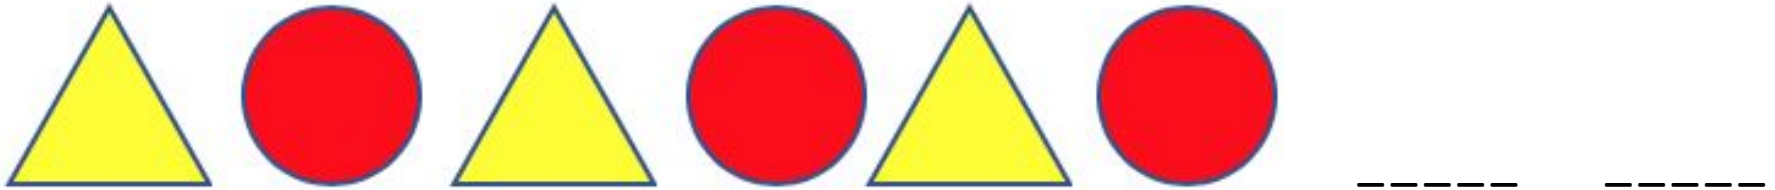

Pre-K Math
Lesson: 05/20/2020

Learning Target:
Students will find patterns.

Let's Get Started:
Watch Video: [We See Patterns Everywhere](#)

Practice:

Can you read the pattern? What would come next?

Activity:

Going on a Pattern Hunt

Materials needed: None

1. Have your child find patterns around the house.
2. Ask your child:
 - a. Tell me about the pattern you found.
 - b. What makes that a pattern?
3. Continue playing by finding more patterns around the house.
