Painting with Q-Tips

May 21, 2020

Pre-K Art

Lesson: 05/21/2020

Learning Target:

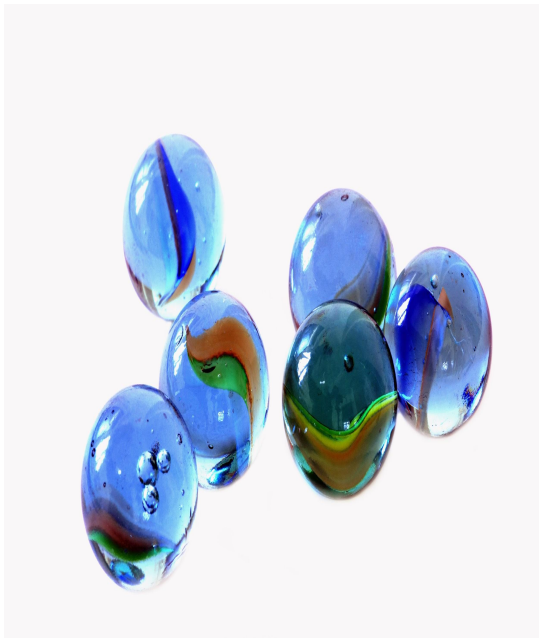

Students will paint with Qtips and experiment with color.

Let's Get Started:

Watch Videos: [See Something Blue | Colors Song for Children](#)

Practice:

Can you find something blue in your house?

Activity:

Painting with Q-Tips.

Materials needed: Q-Tips, water, 2 or 3 cups/ bowl, food coloring and paper.

1. Watch the video: [Q-tip Painting](#)
2. Put water in 2-3 cups and different colors in each bowl.
3. Have your child paint with Q-Tips.
4. Ask your child:
 - a. What would happen if you mixed two or more colors?
 - b. How can you make (_____) color?
 - c. Tell me about your picture?
