

ISD Early Education

Week of May 18 - 22, 2020

Toddler

Literacy - Read some of your child's favorite books each day. Ask them the comprehension questions provided.

Math - Create a guessing jar by placing 1-10 objects in a jar/see-thru box each day. Have your child estimate how many items are in the jar and count to check.

Science - Go on a "texture nature walk" helping your child find the items listed. Have your child sort the items by their textures.

Fine Motor/Art - Tape multiple crayons or markers together and have your child create pictures.

Social/Emotional - Sing and play, "Peter, Peter" with your child.

Music/Movement - Sing and play the "Hokey Pokey" with your child.

Preschool

Literacy - Read some of your child's favorite books each day. Ask them the comprehension questions provided.

Math - Create a guessing jar by placing 1-20 objects in a jar/see-thru box each day. Have your child estimate how many items are in the jar and count to check.

Science - Go on a "texture nature walk" helping your child find the items listed. Have your child sort the items by their textures.

Fine Motor/Art - Tape multiple crayons or markers together and have your child create pictures.

Social/Emotional - Sing and play, "Peter, Peter" with your child.

Peter, Peter

Peter, Peter

Peter Peter pumpkin eater

Start by tapping both hands on your legs to the beat

Had a friend he loved to greet.

Shake hands with child when you get to the word greet

Treated them with kind respect...

Pat child's shoulders when get to the word respect

And in the morning hugged their neck.

Lean in and put your arms around your child in a hug
