- Engage and Persist
- Express

Background: There are LOTS of ways to be creative and LOTS of materials that can be used to create artwork. Anyone can be an artist!

Let's Get Started:

1. Think about what is most important in a creative work space for YOU and make a list (light, comfort, quiet, etc.)
2. What are things that do NOT make for a good workspace?

Practice #1:

1. Watch the video below (in full screen)
[Choosing an Art Space VIDEO](#)
2. Look around your house and decide on the best spot for making art in your home.

Practice #2:

1. Watch the next video in your new creative workspace.

Self Check:

Make sure your creative space is clean and organized and show it to someone in your family.

1. Was this lesson?

- easy
- just right
- hard

2. What's your favorite thing about your creative space?

* Remember, a true artist is always on the lookout for new things to add to their creative space, so keep an eye open for things (in your house or outside) that might be a good addition to your studio.
