Learning Target:
I can explain and perform an ostinato.

Background: This is a review of ostinato form.

- Students learn to define an ostinato pattern in music.
- Students learn to perform an ostinato pattern in music.

Let's Get Started:

To help us be successful with our poem and ostinato, let's get started with a steady beat warm-up.

Click on the video:

Please read the poem with me:

Poem:

Ice cream in a bowl,
Ice cream in a cone,
My favorite kind is chocolate
Don't eat it all alone!

Let's make up an ostinato to go with this poem.

Remember: the ostinato is a repeated part that is background to the music or rhyme. So we need some words that keep repeating.

Ostinato

Chocolate ice cream, chocolate ice cream,
Chocolate ice cream - It's all gone!

Practice both parts on your own.

Ice cream in a bowl,
Ice cream in a cone.
My favorite kind is chocolate,
Don't eat it all alone!

Chocolate ice cream, chocolate ice cream,
Chocolate ice cream - It's all gone!

More Practice on Your Own

1. For practice, you can teach someone in your home this rhyme and ostinato. Then you will have someone to help you with the second part.
2. Make up a different ostinato to go with this rhyme. Maybe you like strawberry ice cream the best!
