

Transportation and Communication

April 13, 2020

Social Studies Virtual Learning

2nd Grade Social Studies - April 13, 2020

Learning Target:

Students will describe different types of transportation and identify their advantages and disadvantages.

Background:

Students learned how to compare and contrast our community in the past and present in first grade. This included learning about how schools, land, and transportation have changed.

In third grade students will learn about human characteristics of Missouri which will include information about communication networks and transportation.

I want to go to my friends house. My mom says I can either ride my bike or walk. What should I do?

What are the advantages to walking?

Why might walking be the best idea?

Could walking be safer?

Can I take a different path walking then if I ride my bike?

What are the disadvantages to walking?

**Why might walking not be the best idea?*

***How long will it take to walk?**

***Can some weather be a disadvantage to**

***Once I get there will I need my bike to play**

W

W

What are the advantages to riding a bike?

Why would riding a bike be the best idea?

How long will it take to get there on a bike?

Do I like riding my bike?

Do I have someone who will ride with me?

What are the disadvantages to riding a bike?

Why is riding a bike not the best idea?

Is a bicycle helmet available?

Does the helmet fit right?

Is a riding buddy coming too?

Advantages

Disadvantages

How would you fill out this chart?

Walk

Bicycle

Draw four boxes on a piece of paper and fill in the advantages and disadvantages.

Walk

Bicycle

Advantages

Disadvantages

<p>Walking is good exercise. I don't have to worry about finding my helmet.</p>	<p>It will take me 15 minutes to walk there. Walking isn't as fun.</p>
<p>It will take me 5 minutes to get there. I like riding a bike and I have a buddy.</p>	<p>I have to get my helmet and bicycle out of the garage.</p>

I decided to ride my bike to my friends house!

Don't worry, my buddy is right in front of me!

More Practice

Research Bicycles and make a list of all of their advantages and disadvantages.
