

Math Virtual Learning

4th Grade Rounding

April 7, 2020

4th Grade Math
Lesson: Tuesday, April 7th

Learning Target:

Students will round numbers to different place values.

Background: This is a review lesson from 4th Grade

- Students learn to round to different place values such as ones, tens, hundreds, thousands, etc.

Let's Get Started:

Watch Videos:

1. [Anchor Lesson 1](#)

Practice on your own: Go to this [choice board](#):

1. Open the choice board.
2. Pick games, videos and practice to work on.

Watch Prime and Composite Video	IXL Prime and Composite Practice up to 20	IXL Prime and Composite Practice up to 100
Prime Numbers Prime number interactive game	Prime and Composite Practice Practice	Brainpop on Prime Numbers
Prime and Composite Racer Interactive Game	Prime or Composite? Interactive Game	Number Ninja Prime Numbers Interactive Game

Self Check:

Go tell someone in your home what you did off of the choice board.

1. How were the choice board items?

- easy
- just right
- hard

2. Create a number and round each place value of that number.
