

Math Virtual Learning

4th Grade Factors

April 8, 2020

4th Grade Math
Lesson: Wednesday, April 8th

Learning Target:
Students will find the factors within a number.

Background: This is a review lesson from 4th Grade

- Students will find all of the factors within different numbers.

Let's Get Started:

Watch Videos:

1. [Anchor Lesson 1](#)

Practice on your own:
Go to this [choice board](#):

1. Open the choice board.
2. Pick games, videos and practice to work on.

Factor Lines Interactive Game	Product Game Interactive Game	Bunny Times Interactive Game
Missing Multipliers Interactive Game	Factorize Interactive Game	IXL Find the Factor Pairs Practice
IXL Identify Factors Practice	Not a Factor Interactive Game	Factor Practice Practice

Self Check:

Go tell someone in your home what you did off of the choice board.

1. How were the choice board items?

- easy
- just right
- hard

2. Create a two or three digit number and have someone in your house try and complete all of the factors with you.
