

# 7th Grade World History

Lesson #25 April 24, 2020

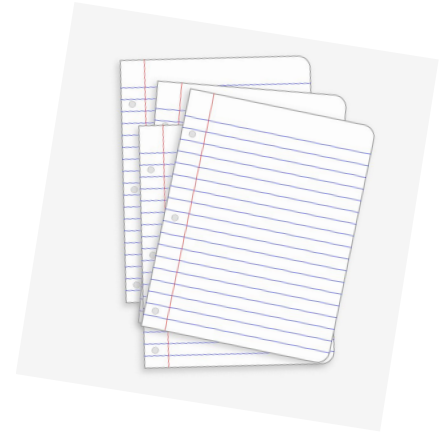

**Essential Question:** What do diary entries tell us about the purpose of the Portola Expedition and Native Americans in California at the time?

# DBQ- Document Based Question

Today we will be completing our DBQ that we have been working on the past 2 days.

You will need your lesson from Document A and Document B to complete today's lesson.

## Materials needed:

# Warm-Up

**Directions:** Look back over your completed lessons from Part 1 and Part 2 of the DBQ. On a new piece of paper, create a **Top 5** list of things that you have noticed or have questions about from your work.

If you need to refer back to the documents click on the links below:

## My Top 5:

1. The Natives live in a well-developed village.
2. Both documents refer to the coast.
3. The Natives were friendly to the Spanish.
4. How did the purpose of the Spanish explorers differ in both documents?
5. Document A mentions people more, while Document B focuses on the land.

# Lesson

**Directions:** On your paper choose 4 of the following questions to answer. This will help you reflect on your readings from Document A and B.

- a. What do these two diary entries tell us about Native Americans in California at the time of the Portola Expedition?
- b. What do they tell us about the expedition and the beliefs of the Spanish explorers?
- c. How do the diary entries compare to the image?
- d. Whose perspectives are missing from the documents in this lesson?
- e. The diary entries in this lesson describe two groups of Native Americans. What are possible problems with trying to use these documents to understand life for Native Americans across all of California?
- f. What other kinds of sources might we look for to learn more about Native Americans in California?
- g. Where else might we look to learn more about how the Spanish and Native Americans interacted with each other?
- h. Where else might we look to learn more about the Portola Expedition?

# Practice Example

Today you will be making a claim using the **RACE strategy**. You will use evidence from the text to support your answer.

Look at these examples of making a claim. One of these claims *clearly* uses evidence to support the claim.

- ✗ Michael Jordan is better than LeBron James because he is awesome.
- ✗ Michael Jordan is better than LeBron James because he's awesome and his shoes are cool.
- ✓ Michael Jordan is better than LeBron James because he has won more Championships, Jordan has won 6 while LeBron has only won 3.
