

8-Expansion-Industrial Revolution

After reflecting on the [Industrial Revolution Timeline](#) from the previous lesson, create your own timeline of modern inventions.

1. What are the 5 most important inventions in your lifetime?
2. What year were each of these inventions created?
3. Who invented these?
4. Why is this invention important?
5. Place each of these inventions and their information in chronological order.

| | | | | |
|-------|-------|-------|-------|-------|
| 1. | 2. | 3. | 4. | 5. |
| When: | When: | When: | When: | When: |
| Who: | Who: | Who: | Who: | Who: |
| Why: | Why: | Why: | Why: | Why: |
