Notice of Employees Regarding Public Service Loan Forgiveness

In accordance with State law, the Independence 30 School District is required to provide all employees with information regarding eligibility for the Public Service Loan Forgiveness Program (PSLF). Under Missouri's PSLF Program, a full-time employee of a public school district may qualify for forgiveness of his or Direct Loans. To qualify, the employee must not be in default and must have made at least 120 qualifying payments under a qualifying repayment plan on their Direct Loans while serving as a public employee.

Any non-defaulted Direct Loan is eligible for loan forgiveness, including the following:

- Direct Subsidized Loans
- Direct Unsubsidized Loans
- Direct PLUS Loans
- Direct Consolidation Loans
