College Prep Algebra
Lesson: May 4, 2020

Objective/Learning Target:
Review rational expressions:
Simplify, add, subtract, multiply, divide

Let's Get Started:

Today is a review of working with rational expressions.

Here is a reference guide if you have trouble.

- Simplifying—4/28 Lesson
- Multiplying—4/29 Lesson
- Dividing—4/30 Lesson
- Adding and Subtracting—5/1 Lesson

Practice:

[Simplifying Rational Expressions](#)

[Multiplying Rational Expressions](#)

[Dividing Rational Expressions](#)

[Adding and Subtracting Rational Expressions \(1\)](#)

[Adding and Subtracting Rational Expressions \(2\)](#)
