Algebra 1 S2  
Lesson: April 28th, 2020

Learning Target:  
Students will solve quadratics using a variety of methods.

## Warm-Up

1. [Click here](#) to practice filling out quadratic function tables.  
\*Set timers to beat your scores.
2. [Click here](#) to practice matching quadratic functions to their respective graphs.  
\*Set timers to beat your scores.

## Today's Lesson

In today's lesson we will review all of the methods we have used to solve quadratic functions.

Watch today's [Video](#) to review how to solve quadratics with these algebraic methods:

1. *Factoring*
2. *Square Roots (includes completing the square)*
3. *Quadratic Formula*

# Independent Practice

[Practice Worksheet](#)
