Calculus AB

Reflecting on Calculus

May 20, 2020

Calculus AB
Lesson: May 20, 2020

Objective/Learning Target:

Students will reflect on their year in Calculus.

Warm-Up:

Write a letter to your future self:

Click on the following link then follow the directions on the website: [Future Me](#)

Answer the following questions. If you are willing please share your responses with your Calculus teacher.

- What are the three most important things you learned this year?
- How has your confidence in math improved this year?
- How might you be able to apply what you learned this year in the future?
- What is something the teacher could have done to make this year better?
- What advice would you give students who will be in this class next year?
