# WARM UP

Look at this map: why was there conflict between the French and English in the colonies?

It is all about the economy!!! The English wanted some of the trade routes and posts that we established by the French. Also, remember the English and French had a long history of conflict in Europe.

# THE FRENCH AND INDIAN WAR

First some clarification:

1. This is called the Seven Years War in Europe
2. The colonists fought for the British
3. The Native Americans fought with the French (they had a better relationship with the French)

# THE FRENCH AND INDIAN WAR

Cause and Effect:

Create a T-Chart in your binder/notebook: You will watch this crash course video to note the causes and effects of the war. You can also supplement with your textbook and notes from class.
