

ISD Virtual Learning

High School World History

April 16, 2020

World History

Lesson: April 16, 2020

Objective/Learning Target:

**Students will understand the policy of containment after
WWII**

Warm Up

Look at the 2 images. What do you think the image on the left is showing? What about the image on the right? Which country (USSR or America) do you think made these images and why do you believe that?

Lesson Activity

Read through the “handout” and answer the questions and fill in the chart. Use the answer key to compare to your answers

[Answer Key](#)

Practice

Read through the text passage. Answer the questions in paragraph for using the text as evidence.

What was the policy the US had in regards to the USSR after WWII? Was it the right policy, and did it work? Why or why not? Use evidence in your response from the reading.
