**Day 4**

April 23, 2020

High School Advanced Photography  
Lesson: Exploring Studio Lighting  
April 23

**Objective/Learning Target:**

To have an understanding of studio lighting, how it is set up and how it affects the subject being photographed.

## Studio Lighting:

Day 1

**Bell Ringer:** Do you think studio lighting is an important component of photography?

**Objective:** To have an understanding of studio lighting.

**Task #1:** Watch the following you tube tutorials on Studio Lighting

5 laws of light

7 lighting options in 70 seconds

Do it yourself portrait lighting set up

**Task #2:** Practice using whatever lighting you have any of the techniques in the videos above OR use the studio lighting feature on your device or download an APP for studio lighting simulation for your device. (Example: Skylights)
