Meme Project Friday April 10th

*"A **meme** is a concept or behavior that spreads from person to person. **Examples** of **memes** include beliefs, fashions, stories, and phrases."*

Bell ringer: ASK YOURSELF: Which was your favorite Meme? Why? What APP or editing process did you use for one or both of your memes? Do you feel it was successful in the editing technical aspect of creating your memes?
What would you do over if you had the time/energy? How hard was it to come up with original memes? What did you use for inspiration??
(Dual Credit will need to actual write these written responses upon submission in Google classroom)

Objective: To repost or like any of your classmate's memes posted on Twitter

(Both images are posted on Twitter @karenmcamp with #2Memes. You must "retweet" at least 2 of your classmates Memes (you may pick and choose). You may "like" as many as you wish. Submit to google classroom-Dual Credit must do this. Attach or post responses to score guide questions in comment section when you post).

Task 1 Retweet 2 of your classmates memes you really enjoy

Task 2 "Like" as many of the memes you want

Task 3 You may comment on any meme posted

Task 4 Dual credit make sure you ---Submit to google classroom-Dual Credit must do this, all others this is optional. Attach or post responses to score guide questions in comment section when you post.

Notes: See score guide posted April 6th and/or in google classroom
