

Visual Arts Virtual Learning

**High School**

**Drawing II**

**Unit: Observational**

**Perspective**

**Lesson:**

**Imagination is ALIVE**

**May 4, 2020**

Drawing II  
Lesson: Imagination is ALIVE  
May 4, 2020

**Objective/Learning Target:**

The students will be arranging, possibly photographing, and drawing creatively with items around them. The student will create an original drawing that correctly shows observational skills utilizing everyday items.

**Let's get started:**

**Creativity Warm Up:**

**Draw things that make noise and illustrate the sound.**

## Activity Lesson:

Today, we will continue this lesson and create at least one sketch. Find a new object around the house. If you drew a paperclip into a human, try a new object as a new item like a car. Variety is key, it allows you to explore new avenues.

Below are some examples of what you can create with the object(s) that you collect.

The artist below is [Christoph Niemann](#). He illustrates images for the New York Times, and to get his creativity growing he enjoys making everyday items come to life.

## Activity Lesson: More Examples:

## Check for Understanding:

1. What items did you pick for your everyday item?
2. What difficulties did you have with your everyday object?
3. Did you try to rearrange item? Instead of right side up did you tilt it or put it laying down?
4. How would you describe your artwork with your everyday item? Goofy? Scary? Awkward? Shy?
5. What suggestions would you share if you were to direct a peer on this artwork so far?
6. What do you think your weaknesses and strengths are at this point?
7. Do you think this helped your imagination?
8. Have you tried something like this before?
9. Did you have difficulty creating something original?
10. Did you try to put your item in an action or involved in a movement? For example the avocado was being caught by the baseball player.

## **Announcement:**

**Please post your artwork on Twitter and/or Instagram using the hashtag #isddoesart**

**All of the teachers are excited to see our students and their work!**
