# Intro to Visual Arts / April 13, 2020

## Lesson Name: The Color Wheel

**Objective:** Students will create a color wheel using found objects around their house. You may only use an object for one of the colors. Example: If you choose a marker, you can only choose one marker for the color wheel to represent on color. Students should capture all primary and secondary colors, and as many tertiary colors as possible. When it is completed, snap a photo and share it on social media or with your Intro to Visual Arts teacher.

**Requirements:** Household object, cell phone or tablet camera, camera
