

## Painting II Virtual Learning Illustrated Dictionary Part II

April 24, 2020

## 9-12th/Painting II

## **Objective/Learning Target:**

Students will illustrate and paint a word found on newspaper, book pages or magazines.

**Bell Ringer:** Find art materials that you may have around your house. Here is a link for possible ideas if you do not have painting items at home.

https://docs.google.com/presentation/d/1qZSVXmoyqwZSUOEJS J3ZYew9vbC2SEN9Fd6rJTmyaws/edit#slide=id.g7277dfb8ca 0 0

**Inspiration:** Kristy Patterson

http://flyingshoesstudio.blogspot.com/

Materials: Any paint that you prefer, newspaper, magazine, or book pages. This can easily be done with a pen or pencil.

## **Procedure:**

- 1. Once your objects and ideas have been sketched out onto the paper you have chosen you may begin to add paint.
- 2. Choose any colors you wish and refer to slide 3 if you need ideas. This can easily be done with markers, crayons, pen or pencil.
- 3. Remember your shading skills and show high contrast so that it has big impact.

The next slides show some examples with paint or color and tutorials to get you motivated.

ore containing titanium, aircentams, cerium, etc.

Es-phy-nem'e-ne, w. [L., a sensitive plant,
from Gr. sizelynoment, L. ppr. of sizelynois, to r
diadigure.] In botany, a genus of plants of the r
bean family. Legowinese, mostly found in
South America. Some of the species, as

Archynomen dispide, bear sensitive leaves.

Es-qu-la'pi-nem'e-nous, a. Sensitive, as the
leaves of some varieties of Liestynomens.
