DIY At Home Monday, April 6, 2020

Objective:

Students will learn how to create a working space, and explore what kind of art materials they can use as art supplies at home.

Bell Ringer/Let's Get Started:

What kind of materials do you think artist Benjamin Shine used to create this portrait?

The materials Benjamin Shine selected can heighten and deepen the artwork's meaning. Do you think he was successful?

Lesson /Activity:

After watching the videos and looking at the presentation, create a small working space that you can use to work on projects. Art supplies are hidden all over your home.

Task 1 Find 10 different types of materials or items that you could use to make art. There are many included in the presentation, can you find more that are not listed?

Task 2 Once you have created a working space and collected all the items, take a picture and share using #isddoesart.

Check for Understanding:

- Did you learn new techniques or processes as part of the work for this project?
- Did you pick a material or technique that was new or different over something that was familiar?
- I want to know more about...
- The most challenging thing was...
- Now I know...
