HS/Accounting 1

**Topic: Pros and Cons of Accounting and
becoming a CPA**

May 15, 2020

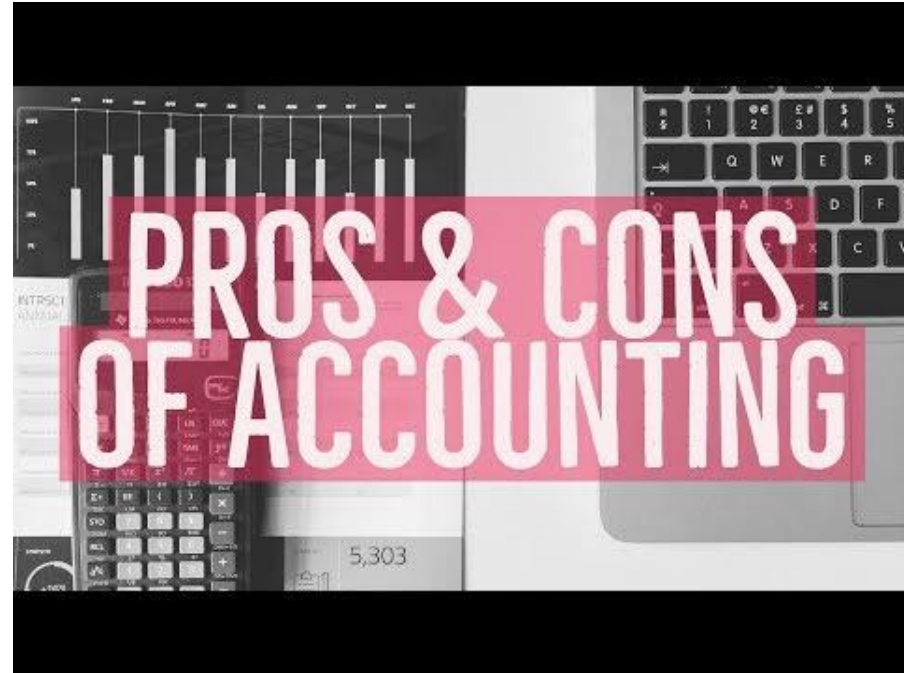

Accounting 1: Pros and Cons of Accounting

Objectives:

1. Discover what it takes to become an accounting

Instructions:

Watch the video and complete the activity on the next slide.

Accounting 1: Pros and Cons of Accounting

Activity:

1. As you watch, make a list of the pros and cons she mentions during the video.
2. Make your own list of the pros and cons of taking accounting in high school.
3. Search a local college and find out what you need to do to get a degree in accounting.
 - a. What classes do you have to take?
 - b. Is there an internship requirement?
 - c. Is getting a bachelor's degree enough or does it recommend going on to get a masters?
4. Next read this article: <https://www.ais-cpa.com/how-to-become-a-cpa/>
 - a. What does it take to become a CPA? Write a short summary outlining what it takes to become a CPA.
