11th and 12th/ Lesson:

Debate: Should College

Students Have Credit Cards

Lesson: 4/28/2020

Students will be able to:

- Explore arguments for and against students having credit cards
- Students further apply reasoning to student credit card usage and habits and deduce whether it is a good option for them

Question Starter:

Based on your current understanding of credit cards, do you think college students owning a credit card/cards is a wise decision? Why or why not?

Background and Connection:

Some students will start to receive credit card offers in the mail after the age of 18. It is important to know reasons for and against having one as a college student so they can make a decision that best suits them.
