

Learning Objective: The student will understand the role a lighting designer plays on a production team.

Virtual Lesson for Lighting Design for Theatre students in the ISD for April 9:

1. Watch the video outlining a typical experience of a lighting designer and how they convey emotion:

<https://www.youtube.com/watch?v=wqMYsjHU5rU>

2. Answer the following questions:

A. What challenges do lighting designers typically face?

B. How does a lighting designer collaborate with other designers on a show?

C. How can emotion in lighting be changed based on color and direction?
