

Introduction to Design & Production

Sound Design

Ms. Hayes, Mr. Meyer, Ms. Yung

April 24, 2020

Learning Objective:

The student will record a staged reading with sound effects of a script.

Bell Ringer:

1. Using your Hitchhiker script from yesterday's lesson, write down the sound effects that you highlighted.
2. Find the sound effects on the Internet and download them.

Lesson Steps:

Today, students will develop a radio play based off "The Hitchhiker".

Practice:

1. Using a phone or other recording device, read the script "The Hitchhiker" aloud and record it. Use different voices for the different characters.
2. When you need a sound effect, play the sound effect that you downloaded.
3. You do not need to record any video, just the sound. HAVE FUN.
4. Share your recording with someone!!
