# Revise Your Draft

Your first Draft is done. Now, you need to polish it, improve the development of ideas and your choice of supporting ideas.

Good writing contains **well-developed ideas**. A good writer **elaborates**, or builds, on his or her ideas by providing specific details for support.

The idea of this lesson is to help you polish your first draft. Make it better and more detailed.

# Use a Graphic Organizer

Use details and facts to build on your ideas or statements. Use the graphic organizer to ensure you complete development of ideas.

## Complete Development of Ideas

All Ideas are explained

Examples and details help readers understand ideas

The writing answers important questions that clarify the main ideas.

## Incomplete Development of Ideas

Some ideas are not fully explained.

Readers may feel confused about ideas.

Readers have important questions that were not answered in the writing.

# Revise for Development of Ideas

**When writing an essay, writers develop, or build on, ideas using facts or details. Let's practice- Add details to the following paragraph.**

When we talk about a 4 day school week, we talk about a big change. Will it work? I believe so. I believe students will not be burnt out. Also, students will be able to make more money working a 3 day weekend. Last, teachers would get a 3 day weekend as well.

How can we make it better -->
