Let's talk about #6

Start on Track and Stay on Track

- Avoid struggling at the last minute! Get a head start. Start your assignments and projects on time.
- Break down big projects into smaller chunks. This makes your work more manageable.
- Give each assignment and project a self-made deadline.
- Don't PROCRASTINATE—make yourself do things on time. When you do, it gives you more confidence in your ability to accomplish things in school and later in life.

A Weekly Check In! If you have not done so, I would like you to take this weekly survey letting us know how you are doing.

Things to Remember from Last Week

- Contact your teachers, tell them hello. We miss you!
- There is still time to improve your grades for 2nd semester.
- You can still get a Chromebook at Truman High School. Go to the school from 11:00a.m. to 1:00p.m. Your parent needs to go to sign a waiver.
- Go to this link that was shared in an email by Dr. Herl to get free WiFi. <https://corporate.comcast.com/covid-19>
- Here is a [Spanish video](#) on how you can use your cell phone as a HOT SPOT. Please share this with all the other ESL students.
