

Virtual Learning

Architectural Sketching

Day 1 of 4

April 27, 2020

Civil Engineering and Architecture
Mr. Windes, Mr. Leutzinger, Mr. Gant

Lesson: April 27, 2020

Objective/Learning Target:

Students will learn about and put into practice different techniques to improve their architectural sketching

Warm Up:

Before you start complaining about not being able to draw,
watch this video and work along with the presenter:

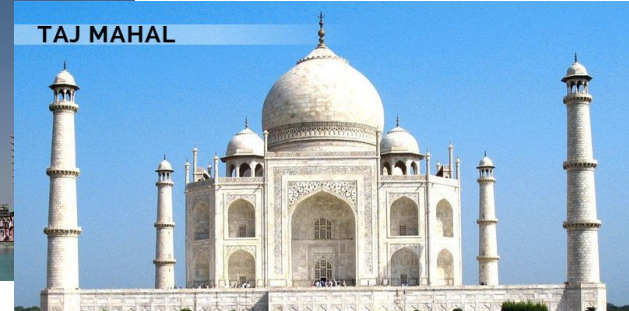

<https://www.youtube.com/watch?v=7TXEZ4tP06c>

Activity:

In this week's activity, we are going to take a virtual tour around the world via architectural sketching. Create a sketch of a famous architectural structure from the continent listed to the right. Be sure to title your sketch and note important facts like date of construction, location, architect, etc.

Today's continent is:

Asia

Additional Resources:

Review the following videos for additional information on architectural sketching and drawing:
