

Virtual Learning

Architectural Sketching

Day 4 of 4

April 30, 2020

Civil Engineering and Architecture
Mr. Windes, Mr. Leutzinger, Mr. Gant

Lesson: April 30, 2020

Objective/Learning Target:

Students will learn about and put into practice different techniques to improve their architectural sketching

Warm Up:

Watch the video linked below and complete the first sketching warm-up exercise (advance video to 7:30 for exercise 3).

Complete all three exercises for today's warmup. Try to fill up two sheets of paper front and back when warming up.

Activity:

Create a sketch of a famous architectural structure from the continent listed to the right. Be sure to title your sketch and note important facts like date of construction, location, architect, etc.

Let's be honest, this should be the building that you sketch from Australia. Find a nice photo and go to town.

Today's continent is:

Australia

Additional Resources:
