

Virtual Learning

Architectural Sketching

Day 2 of 4

April 28, 2020

Civil Engineering and Architecture
Mr. Windes, Mr. Leutzinger, Mr. Gant

Lesson: April 28, 2020

Objective/Learning Target:

Students will learn about and put into practice different techniques to improve their architectural sketching

Warm Up:

Watch the video linked below and complete the first sketching warm-up exercise (advance video to 4:20 for exercise 1).

Complete exercise one for today's warmup. Try to fill up two sheets of paper front and back when warming up.

Activity:

Create a sketch of a famous architectural structure from the continent listed to the right. Be sure to title your sketch and note important facts like date of construction, location, architect, etc.

Today's continent is:

Europe

Additional Resources:

Review the following videos for additional information on architectural sketching and drawing:
