

Civil Engineering and Architecture
(Mr. Windes, Mr. Leutzinger, & Mr. Gant)

Lesson: **April 7th 2020**

Learning Target:

Students will research and identify different architectural styles.

Bellwork

Step outside and create a quick (10 min.) hand-drawn sketch of the house in which you live.

- Be sure to include the major features and characteristics (doors, windows, columns, dormers, etc.)
- Label the defining characteristics.
- What style do you think it is?
- What makes you think that?

Look up and down your street. Do all the houses look the same? What are the similarities and differences?
