Bellwork:

Oh yummy steak filet, where did you come from, I know a cow, but where on the cow? Take your best guess and explain why.

How to do bellwork and assignments

- Create a google doc for Advanced Culinary (if you already have one, use the same one)
- Title it with your full name and the name of the class with a VL in front for Virtual Learning
- Each day, put that day's date and lesson on a new page of the same doc
- Under the date, have two sections:
 - Bellwork
 - Assignment

Assignment

- ★ Open the link below, watch the video
- ★ On your Google Doc assignment sheet, first write about two different cuts of meat and the area/section they are from on the animal. Then write about the types of cuts you already recognized and possibly any you have eaten.
