

A decorative graphic on the left side of the slide features a large orange circle. Surrounding it are several smaller circles in teal, pink, yellow, and lime green. A dashed blue line is visible in the top left corner, and a yellow circle with a dashed border and a white center is positioned near the top of the orange circle.

Virtual Learning April 9, 2020

Early Childhood Professions I

Objective: Students will be able to implement basic health practices and prevention procedures for communicable diseases (such as Covid-19).

Standard: 4.4.6

- Bell Work: Brainstorm what you can do to help prevent the spread of diseases.

Activity & Directions: Create a document describing basic health practices that will help prevent the spread of disease. Be sure to create your own hand washing song here: <https://washyourlyrics.com/>
