## How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Part of being a parent is finding resources to use for your children to learn.

Today, you will be looking at a couple of early education websites and evaluating and answering questions about them.

The list of websites are listed on the next slide as well as the instructions for your assignment.

Here is a list of early education websites with games. Pick 2 websites to explore. Answer the questions on the next slide in your google doc.
