

Human Growth and Development

Children with Special Needs

May 18, 2020

Lesson: May 18, 2020

Objective: Students will be able to describe different special needs and challenges they bring.

Learning Target: 12.1.1

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week will be about different challenges that parents and families may face.

Today is about children with special needs. Go to the following website. Read through the information and then answer the questions on the next slide.

[Children with Special Needs](#)

1. Looking at the picture and reading the first paragraph, describe special needs.
2. List one medical special need and one challenge.
3. List one behavior special need and one challenge.
4. List one developmental special need and one challenge.
5. List one learning special need and one challenge.
6. List one mental special need and one challenge.
7. In your opinion, what would be challenging about having a child with special needs?
8. How would that affect your relationships with other people?
