Teens and Dating

May 14, 2020

Lesson: May 14, 2020

Objective: Students will be able to distinguish a healthy dating relationship.

Learning Target: 13.1.1

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week is about adolescence, or teenagers.

Go to the following 2 links and read about teenage dating.

[Healthy Relationships](#)

Your assignment is on the next slide.

Pretend you are the parent of a teenager who wants to date. Your assignment is to create rules for your teenager about dating.

Things to include are:

- age they can begin dating
- rules about being alone
- explain your expectations for a healthy relationship
- meeting parents of partner
- anything else that you think would be important to discuss with your teen
