Teens and Risky Behavior

May 12, 2020

Lesson: May 12, 2020

Objective: Students will be able to identify risks during adolescence.

Learning Target: 15.1.2

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week is about adolescence.

Yesterday, you learned about different aspects of adolescence.

Today, you will be using 2 different websites to investigate risk taking behaviors and then answering questions about what you read.

The next slides contain the websites and questions.
