School Age Children and Sports

May 5, 2020

Lesson: May 5, 2020

Objective: Students will be able to investigate school age students playing sports and all of the things that come with it.

Learning Target: 12.1.1

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Yesterday, you learned about school age children. Today, you are going to look at school age children playing sports.

Use the following website to answer the questions on the next slide.

[School Age Children and Sports](#)

Use your google doc to answer the questions.

1. Why are youth sports injuries on the rise?
2. What are 3 reasons that sports injuries occur?
3. List 5 tips for trampoline safety.
4. What are the top 4 sports that children get hurt in the most?
5. Pick 3 of sports under the more information section and list 3 things it says about that sport.
6. Did you play sports as a school age child? What sports?
7. Was it a good or bad experience and why?
8. Do you think you will let your children play sports? Why or why not?
