## How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week is about the challenges a family may face.

Today is about selecting child care for your child(ren). Go to the following website.

[Child Care Choices](#)

You will need to make a chart on your google doc. to compare the different choices of child care. I have an example on the next slide of what you need to create.

Type of Care	Description of Care

Based on the information, what would you choose for your child and why?
