Interior Design

Standard: 11.2

Objective: Using the information you observed from watching the home show apply that information in you own home.

Lesson: Friday April 10

Bellwork:

Why might it be important to learn how to hand draw a room, rather than just using a computer program to do it?

Example: New fad today are tiny houses.

Activity

Activity:

Have some fun with this. Create your own tiny house. If you don't have access to a printer reproduce this on a piece on your on paper.
