Zoo Webquest Assignment

-You are an elementary teacher who is introducing your class to animals in the zoo.

-Use the following website to design an activity that you could do with your class.

<https://kids.sandiegozoo.org/>

-You will need to play around on the site and familiarize yourself with the options.

-The requirements are on the next slide.

Zoo Webquest Assignment

- You need to design a webquest for your elementary class to do on their own as a way to introduce them to the animals in the zoo.
- In your doc, make sure to list the grade level and amount of time that you think it would take for your class to get there.
- You need a minimum of 4 steps/tasks for the students to complete on the website.
