

Pathways to Teaching Your Dream School

May 15, 2020

Lesson: May 15, 2020

Objective: Students will be able to design their dream school based on knowledge learned in class.

Learning Target: 4.3.5

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

After learning all about the different types of schools the past few weeks, it's your turn to “design” what your dreams school would look like.

You will need to answer the following questions on your doc that you would want in a school where you will work in the future.

Questions are on the next slide.

1. Size of school: big or small? Why?
2. Location of school: rural, suburban, urban? Why?
3. Hours your school is open?
4. Days you have school?
5. Dress code or no dress code? Why?
6. Classes/grade you would teach?
7. Extra curricular activities that are offered?
8. Grades in your building?
9. Layout of the building? (Levels, # of gyms, courts, etc.)
10. Electronic policy
