

Human Growth and Development

Adolescence

May 11, 2020

Lesson: May 11, 2020

Objective: Students will be able to understand the development of adolescent children.

Learning Target: 12.1.1

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week will be about adolescence, or teenagers.

Today, you use the following powerpoint that contains information about adolescence development.

[Adolescence Notes](#)

Read through the notes and type out anything that you feel is important.

You will use this powerpoint for the next slide.

Use the notes to answer the questions.

1. Looking at all of the changes and events that take place in adolescence, what do you think would be the most challenging for parents and why?
2. What do you think would be the most challenging for teenagers?
3. What would be the most exciting for teenagers?
4. Explain the difference between the eating disorders.
5. Explain the difference between self-esteem and self-concept.
