

Pathways to Teaching

School Change Video

April 16, 2020

Lesson: April 16, 2020

Objective: Students will be able to observe changes that a principal makes to school in order to improve the environment.

Learning Target: 1.2.3

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

You will watch the following video about a principal who goes in and changes schools by using unique strategies. Use the following link to watch the video.

Answer the questions on the following slide to reflect on what you watched.

1. What ideas did the principal talk about or implement that you think would be good for students?
2. What are 2 examples of things the principal did in his school that you don't have/do in your school.
3. Do you think the staff like working for him? Why or why not?
4. Is it important for teachers and students to like coming to school each day? Why?
