Virtual Learning Pros and Cons

April 30, 2020

Lesson: April 30, 2020

Objective: Students will be able to identify struggles of virtual learning.

Learning Target: 4.1.4

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Since we are all doing virtual learning, let's look at some of the positive and negative aspects of it.

The article below is about the challenges of virtual learning. You will use this and your personal experience to answer the questions on the following slide.
