# Nature Walk Activity

---

- As an elementary school teacher, you will need to do activities with children. Since it's nice outside now, your lesson today will be to create an nature walk that you could do with your class of students.
- Directions and examples follow this slide.

# Nature Walk Activity

---

- Create a list of things on your doc that can be found on a nature scavenger hunt. (8+) (Example on next slide.)
- Go on a walk, look for the items, and then take a picture of the items collected.
- Include the picture and your list on your doc.
- Also include in your plan if you would do this individually or in groups with your students.
